

## CHAMPIONS FOR GIRLS SPONSOR LEVELS

# ALLY

\$5,000 – \$9,999

Champions for Girls enjoy both local benefits here in Orange County, as well as from National Girls Inc. See below for more information!

## YOUR IMPACT:

Your gift of \$5,000 supports the importance of creating spaces that are “girls only,” where their worries, their strengths, their ideas and dreams are taken seriously, and they feel the safety and freedom to envision a positive future. To provide the Girls Inc. experience, we must start early and stay late in a girl’s life, investing in her over time. It is an expensive process but our life-changing outcomes are priceless.

## YOUR PERKS:

As an Ally, you will receive all of the Partner benefits, plus: Girls Inc. lapel pin; Recognition in the Girls Inc. Annual Report and on the Girls Inc. National website with consideration for spotlight profile; Options for listing in the National Champions for Girls Directory; Invitation to the annual State of Girls Inc. webinar; Quarterly email “insiders letter” from Girls Inc. President & CEO, Judy Vredenburg; and invitation to networking event and recognition at Girls Inc. conferences.
